

1. So when you print it will print 3 double sided sheets, lay them down like this.

2. Then stick them in a pile like this, Make sure there in page order (number at the bottom of each page). With the covers on the bottom

## HOW TO PUT MY ZINE TOGETHER?

3. Fold the middle of the pages in the middle and put them together like a book.

4. It should be complete and if available chuck some staples on the edge to stop the middle pages moving around!
